The Cayce Municipal Election Commission met at 5:30pm this evening in Council Chambers. Mr. Chavis called the meeting to order and advised that the members of the press and the public were duly notified in accordance with the FOIA.

Ms. Corder notified the Commissioners that Mr. Ed Barwick had resigned from the Municipal Election Commission due to health issues.

Ms. Corder stated that there were three candidates for Council Member Tim James seat on Council representing District 4. Mr. Phil Carter, Mr. James Gregory and Mr. John Raley are running for the open seat. She explained that Mr. Gregory is a write-in candidate.

The commissioners reviewed the membership roster and made necessary corrections. It was suggested that the commissioners keep this information with them on Election Day.

The Commissioners reviewed the list of polling places and decided on assignments as follows:

- Will Chavis – Alternate between Precinct 2, Edwards Memorial Presbyterian Church and Edenwood Precinct, Claude A. Taylor Elementary
- David Bornemann – Precinct 2, Edwards Memorial Presbyterian Church
- Yvonne Smith – Edenwood Precinct, Claude A. Taylor Elementary

Ms. Corder advised that the Lexington County Voters Registration Office will handle the majority of the election for the City as was done in 2014. Mr. Chavis asked the Commissioners to work with the poll managers to ensure Cayce residents were in the correct line and receive the correct ballot.

Ms. Corder advised that the County Election Commission would meet on Thursday, September 17 at 9am to certify the results of the General Election. As stated in the City's ordinance, Cayce's Municipal Election Commission will certify the results of the City's election.

Ms. Corder advised that the account was set up with Southside Restaurant for the Commissioners for their lunch. She provided each Commissioner with a name badge and a brochure containing information on what candidates and/or their poll workers can and cannot do on the day of the election at or near precincts.

Mr. Chavis stressed that the Commissioners are there to observe the voting process being handled by the County and if they see anything that should be addressed, they are to report that information to the Lexington County Poll Manager at the precinct. Ms. Corder stated she would also be available to the Commissioners on Election Day from 7am to 7pm and not to hesitate to call if she is needed.

There being no further business, the meeting adjourned at 5:45pm.

Respectfully submitted,
Mendy Corder, Municipal Clerk
