

News Release

FOR IMMEDIATE RELEASE:

October 7, 2015

Cayce Utilities announces a Boil Water Advisory for City of Cayce Water Customers in the Three Fountains Area including CAE Industrial Park.

As a precautionary measure, the City of Cayce is issuing a Boil Water Advisory for any customers in the CAE Industrial Park, Old Barnwell Road and the entire Three Fountains area to include White Knoll Schools.

The City is working to protect the water quality for all of our residents and customers. Out of precaution, please do not drink or use water to cook with before boiling. Water should be boiled for a minimum of 2 minutes and all ice should be thrown away.

For more information, please contact the City of Cayce Utilities Administration office at 796-9020, during normal business hours, and after business hours, please contact the non-emergency Public Safety number at 796-0456.

WE APOLOGIZE FOR ANY INCONVENIENCE YOU EXPERIENCED; AND WE THANK YOU FOR YOUR COOPERATION.
