

BUILD YOUR OWN RAIN BARREL WORKSHOP

Lexington County EMS Training Facility
407 Ball Park Road, Lexington, South Carolina.

Friday, October 30, 2015
9:00 a.m. – 12:00 pm

Rain barrels collect rainwater off your roof, which you can use to water your garden, wash your car, and any other outdoor use. Rain barrels can help you save water, save money, and reduce stormwater pollution.

Learn about:

- Rain barrel construction
- Stormwater runoff and water pollution
- Rainwater harvesting with barrels and cisterns

Program Fee: \$25 (includes all materials and refreshments)

Registration Deadline: Friday, October 30, 2015
(Space is limited to first paid 25 registrants)

Brought to you by:

To register or for more information contact:
