Project Description: This project generally shall involve realignment of Knox Abbott Drive and Charleston Highway Intersection to include: signalization, replacement of sidewalks, grading, paving, and all other work required to bring the project up to South Carolina Department of Transportation specifications. All work done by the Contractor must be in accordance with the South Carolina Department of Transportation 2007 Standard Specification for Highway Construction. The contractor performing the work for the intersection improvements inside the ROW must be an SCDOT approved contractor. A performance and payment bond is required for the work inside the ROW for 100% of the contract value.

No bidder may withdraw the bid within sixty (60) days after the actual date of the opening and thereof.

The Owner reserves the right to waive any informality or to reject any or all bids.

No bid will be considered unless the Bidder is legally qualified under the provisions of the South Carolina Contractor's Licensing law (South Carolina Code of Laws as amended on April 1, 1999, Chapter 11, Sections 40-11-10 through 40-11-428).

This project is being funded through The City of Cayce in Partnership with BMS Cayce, LLC utilizing Lexington County Transportation Committee (C) Funds.
