V. Withdrawal of Proposal

Submitters may withdraw their submitted Proposal at any time by giving written notice to the RFQ Contact.

VI. Proposal Errors

Submitters are cautioned to verify their Proposal prior to submission. Negligence on the part of the submitter in preparing the Proposal confers no right of modification of the Proposal after the closing time for its receipt. Inadvertent errors (such as the omission of one page of a multi-page document) that have a correction submitted after the designated submission time may be considered at the sole discretion of the City if the submitter submits with the correction sufficient information to prove that the error was inadvertent. Such amendments are not favored, and in the case of doubt, requests will be denied.

VII. Late Proposals; Misrepresentations

Late Proposals will not be accepted. The City does not specify the method by which Proposals are to be delivered; therefore, it cannot be held responsible for any delay, regardless of reason, in the receipt of Proposals. Proposals delivered by mail or messenger will be considered only when said Proposals are received on or before the due date and time. The City does not guarantee that Proposals received in the building by mail or messenger will be delivered at or before the time the proposal is due. Any material misrepresentations made by the submitter(s) will void the response and eliminate the submitter(s) from further consideration. The City reserves all rights with regard to this solicitation.

VIII. Grounds for Protests

Protest of Contents of Solicitation (Invitation For Bids or RFQs or other solicitation documents, whichever is applicable, or any amendment to it, if the amendment is at issue): Any Proposer who is aggrieved in connection with a solicitation document shall file a written protest to the City Manager, thegler@caycesc.gov, within four calendar days of the date of posting of the solicitation, RFQ, RFP, or other solicitation document or any addendums to it on the City's website.

Protest of Award: Any Proposer who is aggrieved in connection with the award of the contract shall file a written protest with the City Manager within four calendar days of the date the Intent to Award memorandum is posted on the City's website. Any matter that could have been raised pursuant to the section above on protest of contents of solicitation, may not be raised as a protest of award.

Exclusive remedy: The rights and remedies granted in this section to Proposers, either actual or prospective, are to the exclusion of all other rights and remedies of Proposers against the City.

Failure to file a timely protest: If Proposer fails to request a protest within the four calendar days, the solicitation or award shall be final.

IX. Procedures for Protests

Protest: A protest must be in writing, filed with the City Manager, and set forth the grounds of the protest and the relief requested with enough specificity to give notice of the issues to be decided. The protest must be received by the City Manager within the time provided.

Burden of Proof: The protestant bears the burden of proving the validity of the protest or claim against the City.

Administrative Review and Decision: The City Manager will conduct an administrative review of all claims set forth within the protest document and shall issue a decision in writing within four calendar days of receiving the protest.

Appeals of Decision: Any appeal of the City Manager’s decision pursuant to the above paragraph must be filed with the City Manager, in writing, within four calendar days of the date of the decision. The City Council shall hear and decide any appeals at its next regular or special council meeting.

Stay of Award: The contract award is stayed until issuance of a final decision by the City. Once a final decision is issued, the filing of a petition to appeal that decision does not stay enforcement of the City’s decision to award the contract.

X. Incurred Cost and Return of Proposals

All costs incurred in the preparation and submission of Proposals shall be borne by the submitter. The City is under no obligation to return any Proposals or materials submitted by the submitter as a response to this RFQ.

XI. Reserved Rights

The RFQ Evaluation Committee shall represent the City in all matters pertaining to this RFQ and reserves the right to reject any and all Proposals during any stage of this RFQ, or to modify, withdraw, cancel, or reissue this solicitation, either in whole or in part, in the event that responses are deemed inadequate or that it is otherwise in the best interest of the City.

The RFQ Evaluation Committee also reserves the right to disregard any minor informality in the RFQ when, in its opinion, the best interests of the City will be served by such action.

The City of Cayce reserves the right to enter negotiations with a single company OR may create a short list of firms, based upon qualifications and pricing, and may conduct interviews, engage in further discussion, or negotiate pricing terms.

1. Cover Letter and Table of Contents

The response must include a cover letter giving a brief summary of the contents of the RFP and a table of contents laying out each section with corresponding page numbers.

2. Introduction and Qualifications

This section will need to contain an overview of the company. The introduction shall indicate the legal name, address, website, telephone number, and local contact. The company will provide an overview and history of the company including identifying all members who will be working with the City and their experience. The company will also describe its history with other local governments for which it has provided similar services in the past.

3. Cost Breakdown

Provide a fee schedule, including hourly rates for professional services, construction management, surveying services, and any necessary support staff.

4. References

XII. Term of Award

It is the City's intent to award the contract(s) for an initial two-year period with the option to renew for two additional years or a maximum of four years. The decision to renew the contract(s) will be at the sole discretion of the City. Proposers must agree to fix contract fees for at least the first two years. If the company intends to revise its fee schedule after the initial period, it must give written notice to the City at least ninety (90) days in advance of any fee change. Fees may be changed only on the contract anniversary date. These fees are subject to negotiation and approval by the City.

XIII. Termination

The City reserves the right to cancel the contract, at any time, without cause and without penalty with a minimum thirty (30) days written notice.

Termination or cancellation of the contract will not relieve the Proposer of any obligations for any deliveries entered into prior to the termination of the contract (i.e., reports, statements of accounts, etc., required and not received).

XIV. Evaluation

A City Staff Team will evaluate the proposals based on the factors outlined within section IV, which shall be applied to all eligible, responsive proposals in selecting the successful submitter. The City Team reserves the right to disqualify any proposal for, but not limited to: person or persons or proposals it deems as non-responsive and/or non-responsible; a failure to respond to each section; or whose experience does not describe the competencies required. The City Team reserves the right to make such investigations of the qualifications of the proposer as it deems appropriate. Award of any project may be made without discussion with proposers after responses are received. The City reserves the right to cease contract negotiations if it is determined that the Proposer cannot perform services specified in their response. Proposals will be evaluated on the following factors:

1. Experience in construction management
