Festivities include live music, great local food and drinks (including beer and wine), local artists, a free kid’s area, and more! Three live bands will keep the beat going all evening, starting at 5:30 PM with the [Jazz Amos Huffman Trio](#). Next up will be Sweet Soul Music at 6:30 PM playing beach music alongside a dance floor to show off your love of our state dance! The [Capital City Playboys](#) will close out the festival covering crowd-favorite rock and roll tunes beginning at 7:30 PM. The fun will continue at Henry’s of Cayce after the live music concludes.

“We are so excited for the first annual Soiree on State. It’s a great opportunity for local artists, restaurants, bands, and residents to come together and celebrate their hometown. We hope you all will join us on June 17!” stated [Cayce Mayor, Elise Partin](#).

Admission is free and the festival will take place on State Street between Poplar and Railroad Avenue. Further details including a map for parking and road closures will be announced soon.
